

Bet Tzedek—The House of Justice

Consumer Guides

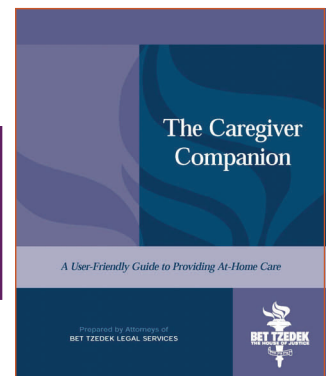

Bet Tzedek's highly acclaimed consumer guides have become a vital resource to consumers, attorneys, social workers, health care professionals and families alike. Using easy-to-understand language, the guides explain relevant state and federal law on critical issues involving long-term care and kinship care and offer additional resources.

See reverse side of this flier for order and download information.

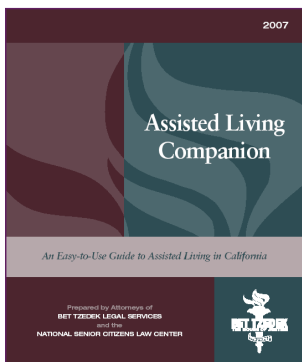

Caring for a Relative's Child

A 72-page guide to benefits, services and resources for people raising children of relatives. *(Also available in Spanish.)*

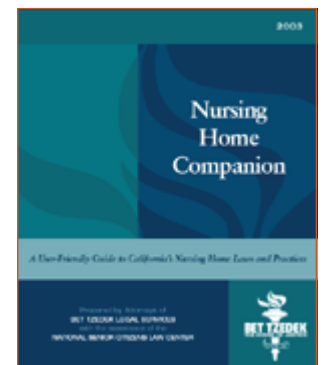

The Caregiver Companion

A 102-page guide that offers information and resources to persons needing home care as well as their families.

Assisted Living Companion

An 80-page guide that answers many common questions about assisted living facilities and provides a starting point for finding the ideal homelike environment.

Nursing Home Companion

A 59-page booklet which clearly and succinctly explains the laws and practices of California's nursing homes and legal protections for residents. *(Also available in Spanish—online only.)*

If Only I Had Known: Misrepresentations by Nursing Homes which Deprive Residents of Legal Protection

A 32-page study with 31 additional pages of examples documenting how nursing homes often misrepresent relevant law to nursing home residents and their family members.
